

## **Sweffling Fete Organisation**

### **History**

Fetes have been held annually in Sweffling for as long as anyone can remember, either as street fairs or on the Townland Meadow. On 15th April 2019 at Sweffling Village Hut, the 'Sweffling Fete Organisation' was formally adopted at a meeting of 'interested persons residing in Sweffling', organising their first fete in August 2019 under a new constitution.

### **2019 Special Project**

At the February extended AGM, a ballot was held to choose the Special Project. The most votes were awarded to the Sweffling Community Wildlife Project. So on Sunday March 1st 2020, 15 families spent a day at the Sinfield Conservation Trust in Hasketon. They made habitat boxes for bats, birds and hedgehogs for use in the village, all funded by the fete.

### **Future Dates/Events:**

#### **2020 Fete - What a disappointment!**

Due to the Covid 19 pandemic it is very much regretted that Sweffling Fete 15th August 1pm - 4pm 2020 is cancelled for everyone's safety.

#### **2021 Fete - We hope for a bumper day of fun next year.**

Please keep free Saturday 14th August 2021 for next year's fete, which hopefully will be a resounding success.

Jill Abbott - Chairman SFO.
